Assessment by points:

An assessment of dogs by points corresponding to our club standard will be possible besides the exhibition and has to be mentioned in the registration.

Dog welfare and health:

The exhibitors are responsible for the welfare of the dogs at exhibitions. It is forbidden to expose dogs to situations that could be dangerous to their welfare and health, such as leaving dogs in the car during very cold or hot weather and/or brutalizing them. A violation of this regulation can lead to exclusion from the current exhibition.

This provision has been in force since June 1, 2014. (Decision of the FCI board from 29./30 Oktober 2013, Helsinki)

Important for all Exhibitors:

- You need the registration conformation at the exhibition.
- For entering Austria and the exhibition you need an international immunization card with a valid anti-rabies inoculation. The inoculation has to be done at least 30 days before exhibition date and has to be valid concerning vaccine manufacturer.
- Each exhibitor is self-responsible for presenting his dog in time in the ring.
- It is not allowed to remove the dogs from exhibition site before the end of the exhibition.
- Every exhibitor agrees with the exhibition regulations and acts conform with the animal welfare act.

Disclaimer of Liability:

The participant declares that in the event of damage he has no claim whatsoever against the organizer, the site owner, against organizations associated with the event or against other participants and that he is adequately insured against accidents and liability cases. The exclusion of liability applies to claims based on any legal basis, in particular both for claims for damages from contractual and non-contractual liability and also for claims from tort. The organizer is not liable for health risks and dangers of the participants and their animals. It is the responsibility of the participant to check their state of health before participating in the event and, if necessary, to have it confirmed by a doctor. The organizer is not liable to pay compensation to the participant if the organizer is obliged to make changes to the implementation of the event or to cancel it due to force majeure, official orders or safety reasons.

Constent Form:

The participant gives his consent that the photos, film recordings and interviews made by him in connection with participation may be used, distributed and published by Klub Dachsbracke on the Internet, television, radio, advertising, films, etc. without the participant being entitled to compensation. The participant also agrees that his name will be published in result lists and that his data (name, photos) will be passed on to the sponsors

and official photographers. He agrees to receive information emails from Klub Dachsbracke (this consent can be revoked in writing at any time). The participant agrees that he can be excluded from the exhibition by the exhibition staff even against his own will, if the organizer considers this to be correct for various reasons (in particular health reasons or safety reasons).
